

Dear D56 Band Parents,

Sell Just 5 \$20 memberships and help the band earn \$15,000!!!

What?

We have a very exciting fundraiser! This sale is done all online and is so easy to use! The band students will be selling a yearly membership to the Entertainment Sweet Rewards. This is similar to the Entertainment books. For the \$20 yearly membership you can download the app on your phone, computer or tablet. Once you have this you will have access to 365,000 discounts throughout the US!! Watch a short video about this:

When?

The sale will be from October 7th-October 28th.

Why?

If each D56 band member sells just 5 memberships we will earn \$15,000 that will be used toward funding the band program. This money will go toward purchasing instruments, music, hiring clinicians, and of course the band trip!

Incentive: The top 2 student sellers will get to invite 5 of their friends to a pizza party at school!

How?

Go online to www.cherrydale.com

Enter our group code: **GURGI**

Register your student, **you should use your e-mail address for this as well, do not use the kid56 e-mail accounts** as students do not receive emails from accounts outside of the d56 network.

Follow instructions to personalize the e-mail and it will be sent to your e-mail account. You can then forward this to family and friends. You can also post on facebook and sell that way.

Cherrydale Farms will send the cards with the membership instructions directly to the people purchasing the cards.

You can also purchase these cards to give as gifts to people. The memberships last one year after the person registers the account. **WHAT A GREAT GIFT!!!**

Not into fundraising but still want to help the band?

If you would still like to help the band raise money but feel that it is a hassle to sell things to your family and friends, you are always welcome to make a donation to our band booster organization, Do Re Mi. This is completely optional, but would be greatly appreciated.

Thank you and let us know if you have any questions!

Your Band Directors,
Sarah Farster, Glenn Eikenberry and Steven Boswell
